Ms. Terrien and Local Government Committee Members:

I had hoped to attend the committee meeting today, but I'm afraid the weather has me bowing out. I'm attaching the comments and concerns I intended to share with you and hope you'll kindly review and consider them, as well as including them in record. Though you should already have copies, I'm also attaching my community's three resolutions in opposition to Bill 5232.

My local state representative asked me what I like about Bill 5232 and I have to say that with all honesty it offers nothing positive to my community, or to my state.

Please feel free to contact me if you have any questions whatsoever, or if my PDFs did not come through adequately and I will simply paste my comments into an e-mail. I can be reached at 248.342.1927 or ccatallo@me.com.

Thank you for your consideration.

With sincere and warm regards,

Cara Catallo
